

THE H.A.D.E.G. HERALD

Issue Number 36

February 2013

Exhibition 2013

To be held at the Cow Byre Gallery between the 16th - 29th June.

Entry forms for the exhibition will be available from tonight's Branch meeting.

In the exhibition we would like to put on display some work in progress and your first pieces. When a member of the public comes in to the exhibition she/he sees this wonderful embroidery but how did we get there.

If you are about to start a new piece of embroidery can you keep the inspiration/pattern and take some photographs as you go along, then at the exhibition we can show your progress.

Do you still have your first piece of embroidery? if so please may we have it for the exhibition, it maybe less than perfect but that is OK. We will put it against your current embroidery to show how much you have progressed.

We would also like to make more of a feature of day school work, even if it's not finished.

The Branch Challenge for The Regional Day at Ardingly - 'Our Branch Book'

After several months discussion it has been decided to make a book featuring members and their embroidery.

Each member who would like to take part can embroider in their favourite style of embroidery a piece of work.

The finished embroidery should be no bigger than 8 inches by 6 inches and should have a border of three inches all round for instance if your finished embroidery is three inches square the piece of material will be nine inches square.

Please note that you will not get your embroidery back.

We plan to have an evening working on the embroideries (the April Branch meeting), so if you would like to get your thinking caps on.....
